

## How has MSTS helped Event Planners and Organizational Leaders?

MSTS has partnered with event planners and organizational leaders to find the right professional speaker to serve as their:

*Keynote Speaker*

*Motivational Trainer*

*Conference Speaker*

*Staffing Consultant*

*Sales Trainer*

*Seminar Instructor*

*Graduation Speaker*

*Guest Professor*

*Master of Ceremonies*

*Executive Coach*

*Workshop Facilitator*

*Ministry Speaker*

**We Speak Your Language:** Our speakers have the ability to create life-transforming environments in English, Spanish, and Portuguese.

**How can MSTS transform my event into a successful meeting?** First we listen and ask questions to make sure we understand your needs. Second, we work hard to find the right speaker/trainer for your event to create an environment for life-transformation.

## What can I expect from working with MSTS?

Our values speak directly to this question:

***Integrity:*** Our service to you is built on honesty, trust, and collaboration.

***Excellence:*** Our speakers will deliver their performance with the highest quality of professional standards.

***Customized Solutions:*** We promise to deliver customized speaking solutions.

We help organizations by serving as their catalyst for transformation.

**Values: Serving people.** We value people by serving with integrity, excellence, and developing customized training solutions.

## **911 Emergency Speaking Solutions**

Do you have a motivational emergency? Don't panic! MSTS is dedicated to delivering the right speaker, even under severe time constraints. We love helping event planners and organizations fill urgent motivational emergencies.

## **What others are saying...**

*"MSTS has been a major catalyst for our management team. They bring real-life experience and techniques to the table that can be applied immediately for the improvement of the organization."*

Hansel Luis, President, **Micro Product Distributors**

*"MSTS will bring proven fundamentals, best practices and creativity to enhance your organization."*

Juan Delatorre, Director of Regional Franchise Development and Latin American Marketing, **Norwalk Furniture**

*"Marcel is very knowledgeable with the consultative sales process and has shown he can effectively help others improve their consultative selling skills. He is also highly inspirational and a great motivator."*

Rudi Easterling, Director of Sales, **UPS South Florida District**

*"Marcel has the unique ability to both engage a group and talk to the individual in the audience. As a participant, I believe this combination of training leads to a greater degree of learning as you are being spoken to in a highly relevant manner."*

Daniel Collart, Associate Vice President, **Tracfone Wireless Inc.**
